Rhyme

Rap rejects my tape deck, ejects projectile

Whether Jew or gentile, I rank top percentile

Many styles, more powerful than gamma rays

My grammar pays, like Carlos Santana plays.

-Fugees, "Zealots"

A Jedi in training, colossal brain and, thoughts are entertainin'

But docile and impossible to explain and, I'm also vain and

Probably find a way to complain about a Picasso painting

Puke Skywalker, but sound like Chewbacca when I talk

Full of such blind rage I need a seein' eye dog

Can't even find the page I was writing this rhyme on

Oh it's on the ram-page, couldn't see what I wrote I write small

It says, "Ever since I drove a '79 Lincoln with whitewall, had a fire in my heart

And a dire desire to aspire to Die Hard"

So as long as I'm on the clock punching this time card
